Rights and obligations under these Terms, which by their nature should survive the termination or expiry, will remain in effect after termination. If either of us fails to promptly exercise any contractual right, this does not of itself mean that the right has been waived. For a waiver of a right to be valid, it must be written and it will not give rise to an ongoing waiver or any expectation that the right will not be enforced, unless it is expressly stated to do so. These Terms may not be modified except in writing signed by an authorized representative of each party. These Terms are the entire agreement relating to its subject matter.
